Warranty

Warranty Period

The purchaser is granted a warranty covering the safe and reliable function of the OpeNice garage door for a period of 5 years from the date of purchase. The warranty period for replacement parts is 6 months, however, at least the current warranty period.

The purchase is given a 5 year guarantee from the date of purchase on all door parts except batteries and light bulbs of garage doors in normal use whereby normal use constitutes no more than 5 door operations (open/close) per day.

Requirements

Warranty claims are only applicable in the country where the garage door was purchased. The product must have been purchased through our authorized distribution channels.

The warranty only covers damage to the contract object. The fully completed warranty dated substantiate your right to claim under the warranty.

Performance

During the warranty period we undertake to rectify any and all defects to the WM Shutters Ltd product which can be proved to be attributed to a material or manufacturing fault. We pledge at our discretion to either exchange the defective merchandise for faultless merchandise, repair it or allow a reduction in price.

We do not accept costs for dismantling and installation nor for carriage.

Replaced parts become our property. The warranty does not cover damage caused through

- Improper installation and negligent care and maintenance.
- Improper initial and subsequent operation
- Negligent or wanton destruction
- External influence such as fire, water, salt, alkaline, solution, acids, abnormal environment influences
- Mechanical damage through improper transport and fitting
- Priming and other surface protection treatment
- Repair by non qualified persons
